YOUR ROLE AS A MEMBER OF FAST

Welcome to Fairland Aquatics Swim Team. We realize you have many options for year round competitive swimming, and are thrilled you've chosen FAST over everyone else. From day one it's important that everyone understand that our program is geared towards competing. You'll get the most out of our program when you compete regularly and follow the guidance provided by our experienced and knowledgeable coaching staff. Each season we build upon the previous year, and lay the foundations for long term development, and a productive career. To that end, each family has a role in helping meet this objective. In addition to the areas listed below there are many ways you can help the program and make it more enjoyable for all involved, so be ready to assist the coaches when they call on you for a little help. Always keep an open mind and be willing to learn as much as possible about the sport.

We look forward to working with you and your swimmer this season.

FAST Coaching staff.

VOLUNTEERING

Parents should be prepared to volunteer their time and energy to help with FAST related activities. In addition, when FAST enters swim meets we will submit a list of timers to the Meet Manager in advance of the meet to ensure we are in compliance with Potomac Valley Swimming guidelines.

There are many certified positions that make up the meet officiating crew. All parents are encouraged to seek certification. Contact Manga for more information regarding the officiating process.

Our long term goal is to have roughly a 20% officials to swimmers ratio. On average that would mean about 15 - 20 certified officials.

FAST MEETS

Our club hosts meets annually and needs participation from every family. For the 2011 / 2012 season we will be hosting five meets.

October 15 - 17, 2021
November 20. 21. 2021
December 18, 2021
February 13, 2022

Each family is expected to volunteer their time to ensure we have all jobs covered. There is something that everyone can do to help.

In addition to volunteer hours we ask each family to donate a case of name brand soda and / or Gatorade for our concessions stand. Keep in mind that revenue generated from swim meets benefits ALL team members.

FINANCIAL

FAST generates its revenue from Program Dues and hosting swim meets. Each family has an obligation to make sure they are current with program dues and meet fees, and to volunteer with hosting meets. Being a small team, we don't have a 'war chest' of money so please meet established deadlines.

Families with outstanding program fees are not eligible for discounts the following season and might be required to pay the full seasons dues prior to the first practice.

As of 2011, meet fees have been rolled into program dues. Families will now have an invoice with only one charge.

I have read the above and agree to meet all team standards and expectations. I have also read the Minor Athlete Abuse Prevention Policy (MAAPP 2.0), which can be found on our web page in the Policies section.
